Assembly Instructions

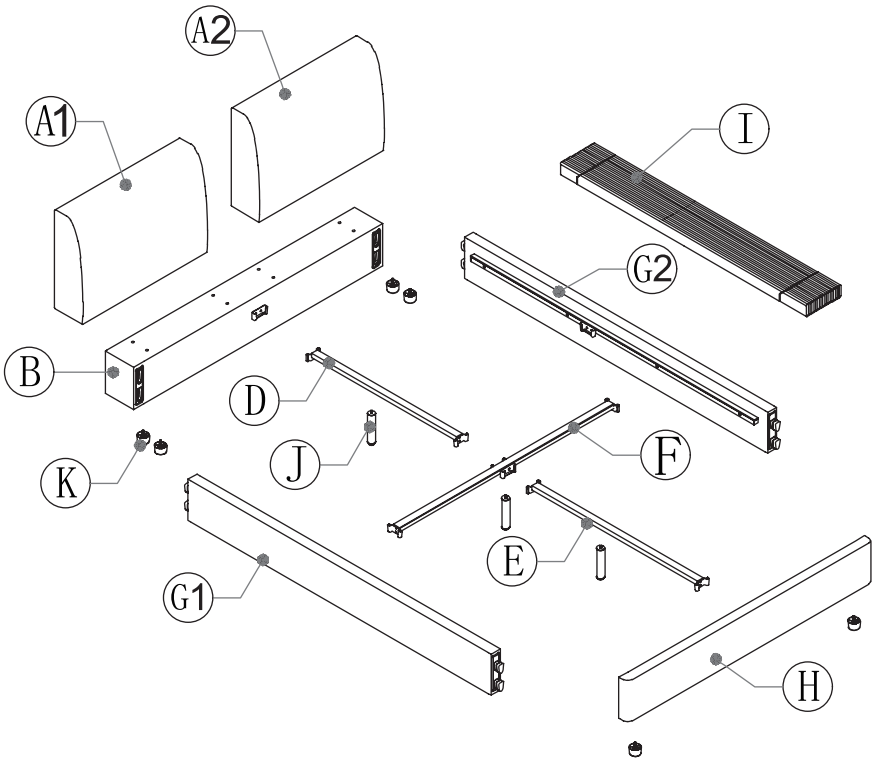

Step 1

Unbox and remove the slats and hardware located behind the headboard.(See illustration.)

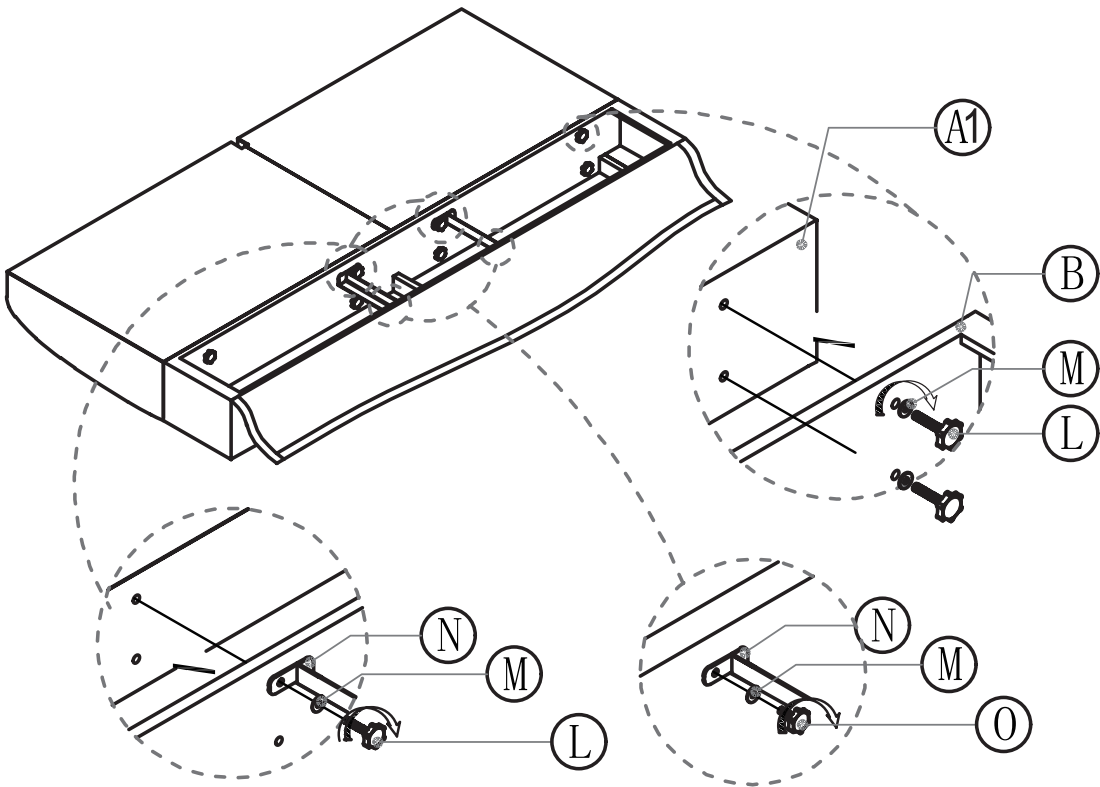

Step 2

Check all parts against the parts list.

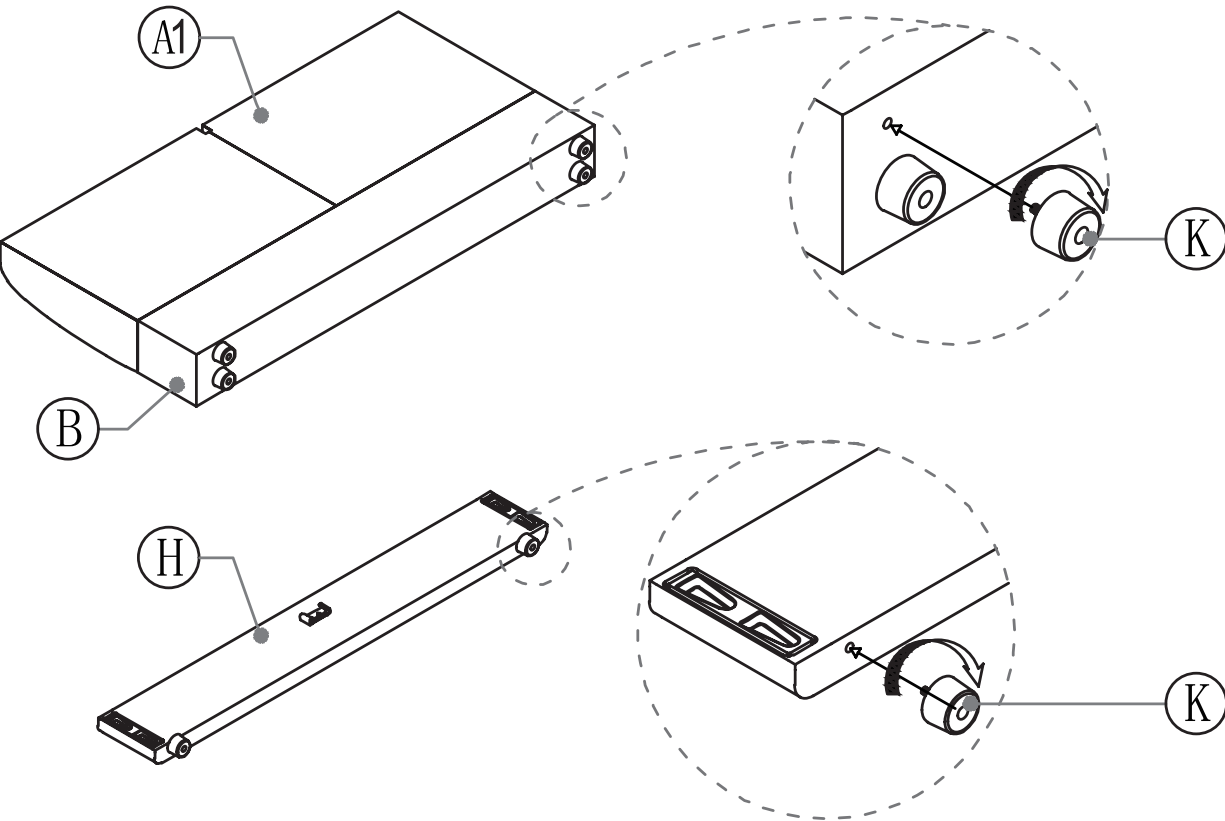

Step 3

Assemble Headboard Panel A and Headboard Panel B. (See illustration.)

Step 4

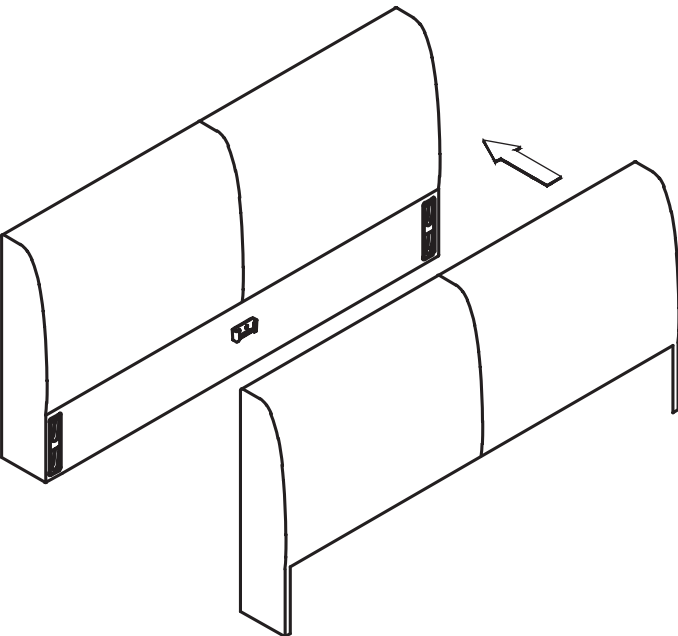

Assemble the bed legs. (See illustration.)

Step 5

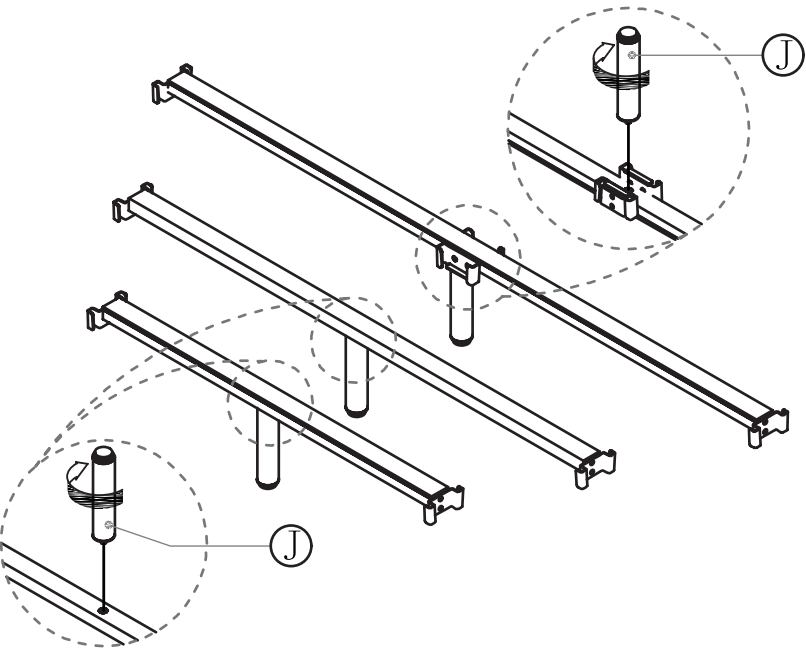

Install the headboard fabric cover. (See illustration.)

- Note:**
1. Fasten the center Velcro between the two back cushions.
 2. Attach the Velcro around the edges of the fabric cover, smooth it out, then press firmly.

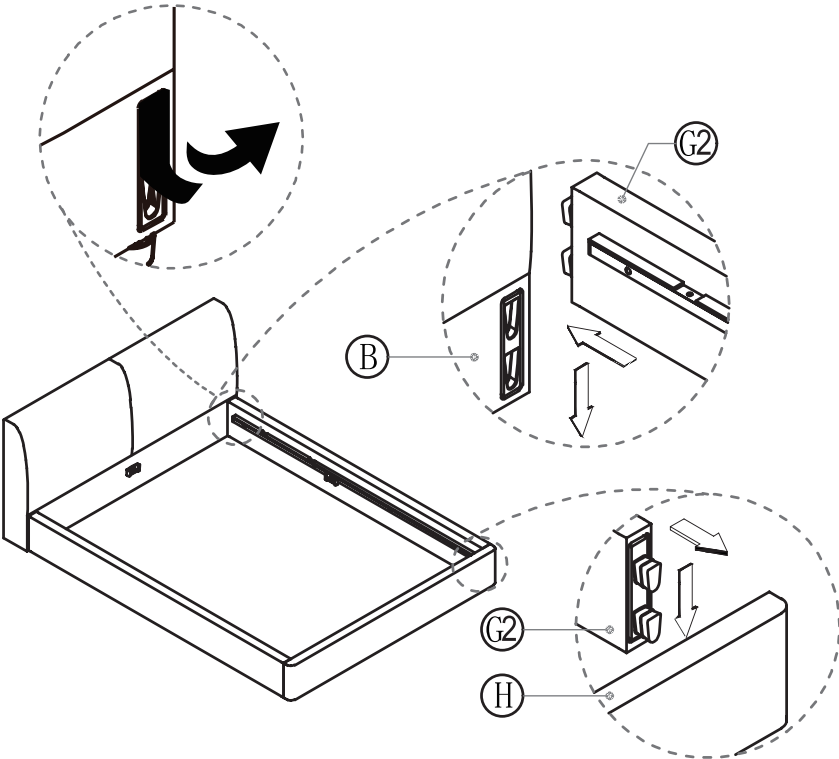

Step 6

Assemble the center support legs. (See illustration.)

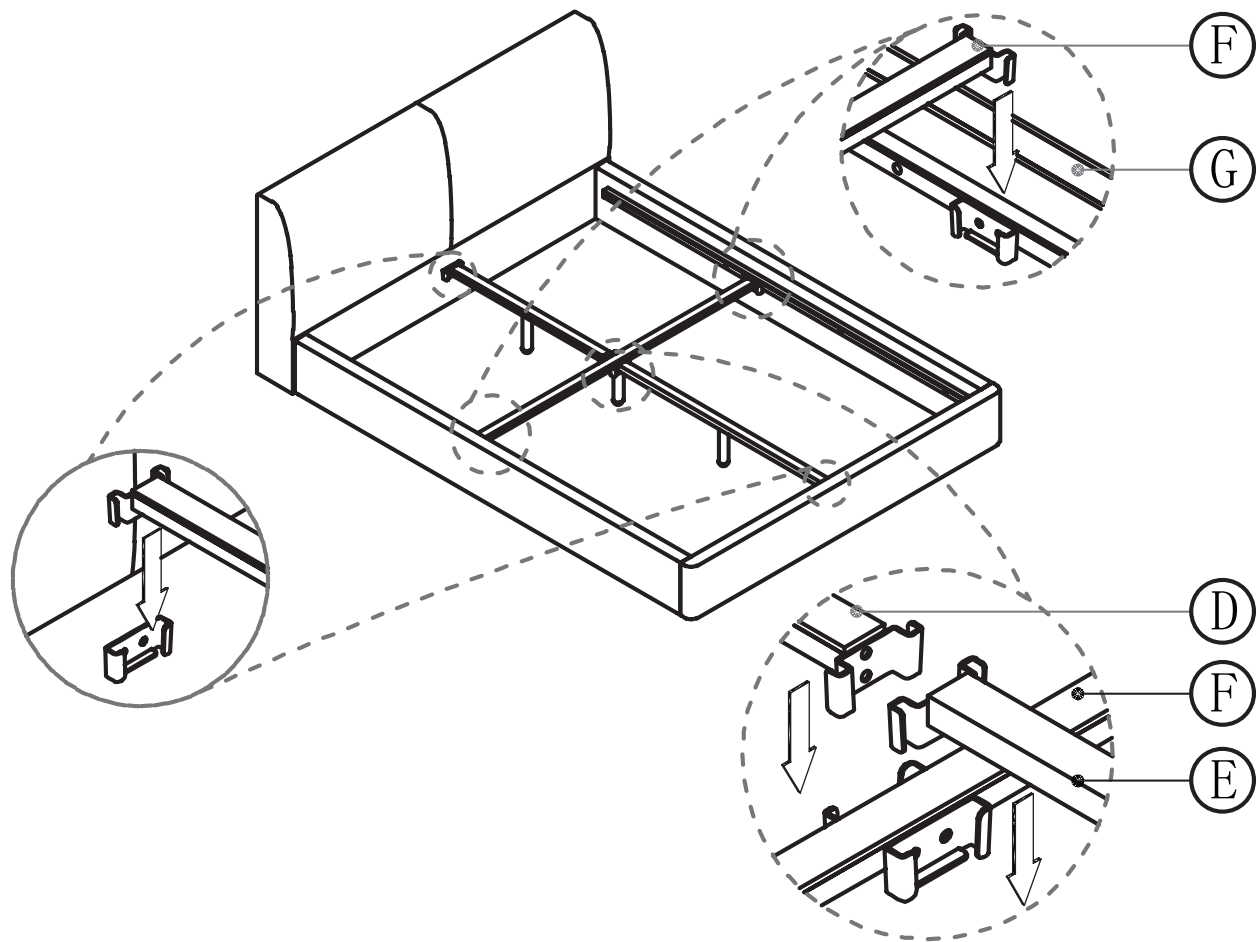

Step 7

Remove the Velcro and install the fabric cover first, then assemble the bed frame side rails. (See illustration.)

Step 8

Assemble the cross rails and center rails. (See illustration.)

Step 9

Place the slats onto the bed frame.
